Inhalant

The allergy trigger is in the AIR
Catch it in time!

With our In-House
Inhalant Allergy Tests (By ELISA)

Significance

The Allergy Hay Dust (By ELISA) test checks whether your body is allergic to dust from hay or dried grass by measuring specific IgE antibodies using ELISA technology. Common symptoms may include frequent sneezing, runny or blocked nose, itchy or watery eyes, throat irritation, dry cough, wheezing, breathing difficulty, chest tightness, skin itching, redness, rashes, or worsening of asthma symptoms.
